SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

This supplemental information disclosure statement is being filed pursuant to 37 CFR 1.97(e)(1). Each item of information contained in the supplemental information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of the supplemental information disclosure statement. Attached hereto is Form PTO-1449, and the references cited therein. Applicant is aware of no charges for filing an information disclosure statement pursuant to the section cited herein; however, should there be any unforeseen charges, they may be made to Deposit Account No. 08-3460. A duplicate copy of this sheet is enclosed.

Remarks

The attached references were cited in the search report mailed April 24, 2003 in PCT/US02/39798; this PCT application claims priority to the instant U.S. application. Two of the references from the search report, U.S. 6,092,871 Beaulieu and U.S. 4,465,317 Schwarz were previously disclosed in an information disclosure statement in the instant application. Please note that while no English equivalent is available for DE 201 07 424 U, the EP examiner for the PCT application considers it to be an "A" document, defining the general state of the art which is not considered to be of particular relevance.
